

## Scholarship Facts

CSFP provides need-based scholarships to children living in Philadelphia who will be entering grades K-8th in fall 2018.

Parents must choose a school for their child(ren) to attend from CSFP's 170 school partners and enroll their child(ren) for the following school year.

Scholarships are four years in length for eligible children.

All scholarship recipients are selected at RANDOM by computerized lottery.

Scholarships are partial: the amount of financial assistance families receive is based upon household size and income.

Scholarships typically range between 25% and 75% of school tuition, up to a maximum scholarship award for School Year 2018 of \$2,800 per child.

Once a family is selected from the lottery, up to three eligible children may receive scholarships.

"Our scholarship makes all the difference in my daughter's education, her friends, and her happiness. I have peace of mind giving her the best education, and I couldn't afford it without you."
